 - e the maintenance and development of links, in the fields covered by this Charter, between groups using Catalan and other groups in the State employing a language used in identical or similar form, as well as the establishment of cultural relations with other groups in the State using different languages;
 - f the provision of appropriate forms and means for the teaching and study of Catalan at all appropriate stages;
 - g the provision of facilities enabling non-speakers of Catalan living in the area where it is used to learn it if they so desire;

- 2 Spain undertakes to eliminate, if it has not yet done so, any unjustified distinction, exclusion, restriction or preference relating to the use of Catalan and intended to discourage or endanger the maintenance or development of it. The adoption of special measures in favour of Catalan aimed at promoting equality between the users of Catalan and the rest of the population or which take due account of their specific conditions is not considered to be an act of discrimination against the users of more widely-used languages.
- 3 Spain undertakes to promote, by appropriate measures, mutual understanding between all the linguistic groups of the country and in particular the inclusion of respect, understanding and tolerance in relation to Catalan among the objectives of education and training provided within the country and encouragement of the mass media to pursue the same objective.
- 4 In determining its policy with regard to Catalan, Spain shall take into consideration the needs and wishes expressed by the groups which use Catalan. It is encouraged to establish bodies, if necessary, for the purpose of advising the authorities on all matters pertaining to Catalan.
