<sup>1</sup> Sub-paragraph a (iv) and a (v) are alternatives to each other. The Committee of Experts established the practice that, in the absence of a choice by the State where several options are available, the highest option from the point of view of the protection and promotion of the language shall normally apply 'ex officio', unless specific circumstances make the highest option appear as manifestly incompatible with the needs of the regional or minority language concerned and/or with the expressed wishes of the speakers.
