\* The Committee of Experts does not comment on provisions in relation to which no major issues were raised in its first evaluation report and for which it did not receive any new elements requiring a revised assessment or a different presentation of their implementation.

<sup>1</sup> The Committee of Experts did not comment upon this undertaking.

<sup>2</sup> The undertaking does not seem capable of fulfilment (cf. para. 51 of the 1st evaluation report of the Committee of Experts).

<sup>3</sup> The Committee of Experts established the practice that, in the absence of a choice by the State where several options are available, the highest option from the point of view of the protection and promotion of the language shall normally apply 'ex officio', unless specific circumstances make the highest option appear as manifestly incompatible with the needs of the regional or minority language concerned and/or with the expressed wishes of the speakers.

<sup>4</sup> The undertaking is fulfilled concerning public services provided by local authorities, but not for public services provided by the State or other bodies (cf. para. 60 of the 1st evaluation report of the Committee of Experts).

<sup>5</sup> The undertaking is partly fulfilled concerning television, but not fulfilled concerning radio (cf. para. 175 of the 3rd evaluation report of the Committee of Experts).
